Air Quality

412.578.8103 ***Clack Health Center, Bldg. 7***
Engineers and other scientists on this team monitor and analyze the county's air quality. The enforcement team works with sources of pollution to improve it. Learn more in the ***Ecocurrents*** newsletter.

Food Safety

412.578.8044 ***Clack Health Center, Bldg. 1***
Permits new food-related businesses, conducts inspections of existing food businesses, responds to consumer complaints about food safety and certifies Food Protection Managers. All food facility inspection reports are available on ***www.achd.net.***

Safe & Healthy Homes Program

412.350.4048 ***Housing Division***
Provides "healthy home" inspections to qualified participants in Allegheny County and neighboring counties.

Housing & Community Environment

412.350.4046 ***Housing Division***
Investigates citizen housing and community environment complaints; investigates cases of childhood lead poisoning; monitors and treats mosquito-breeding sites; inspects and regulates public swimming pools, schools, nursing homes, rooming houses, and boarding homes.

Plumbing

412.578.8036 ***Clack Health Center, Bldg. 5***
Permits new or modified residential and commercial plumbing installations to assure compliance with the plumbing code; requires and issues licenses to all plumbers in the county.

Recycling

412.578.8390 ***Clack Health Center, Bldg. 5***
Works with municipal recycling programs and promotes special events for hard-to-recycle items.

Solid Waste Management

412.578.8040 ***Clack Health Center, Bldg. 5***
Inspection and oversight of operating and closed landfills, waste processing facilities, material recovery facilities, and leaf/yard composting sites.

Water Pollution Control

412.578.8040 ***Clack Health Center, Bldg. 5***
Inspection and oversight of all sewage treatment plants and sewage collection and conveyance systems in Allegheny County.

Emergency Response

412.687.2243 ***Administrative Office***
Prepares the county to respond to public health emergencies, works with government and private organzations on emergency contingency plans, and strives to enable the County to quickly recover from an emergency.

AmeriCorps

412.578.8360 ***Administrative Office***
Our annual cohort of Health Corps members works with a variety of underserved populations in the county. In collaboration with partners from community agencies, Health Corps members provide a variety of direct services, including health literacy and outreach to some of our hardest-to-reach populations.

Mission

The mission of the Allegheny County Health Department is to protect, promote, and preserve the health and well-being of all Allegheny County residents, ***particularly the most vulnerable****.*

This is your Health Department.

Chronic Disease Prevention

412.247.7816 ***Hosanna House***

Our programs promote awareness and prevention of major chronic diseases: cancer, heart disease, respiratory disease and diabetes. We focus on the three most important healthy behaviors to combat them: healthy eating, physical activity and tobacco cessation.

Find out how you can be a part of our countywide wellness campaign: ***www.livewellallegheny.com***.

Infectious Diseases

412.578.8062 ***Hartley Rose Building***

Traveling overseas? Have you gotten your shots? Have you been bitten by an animal? Do you have one of over 70 reportable diseases? Infectious disease staff provide vaccinations for adults and children, and track and investigate disease outbreaks. **Tuberculosis** screening, evaluation and treatment are done at Clack Health Center, Building 1 (**412-578-8162**).

Maternal & Child Health

412.247.7950 ***Hosanna House***

The Maternal & Child Health programs support a healthy start in life for babies in our county and their moms. We provide home-based nursing services to at-risk pregnant women, new moms and families. We also promote healthy breastfeeding. The Home Visiting Network coordinates resources among the Allegheny County Health Department, Healthy Start Inc., and home visiting agencies from around the County.

Office of Violence Prevention

412.247.7969 Hosanna House

The Office of Violence Prevention partners with community stakeholders to investigate and understand the causes and consequences of gun violence. The office is committed to preventing gun violence from occurring—through primary prevention programs, policy interventions, and advocacy.

Pediatric Dentistry

412.578.8378 ***3 clinic locations***

Our dental clinics in the Hill District, McKeesport and Mt. Oliver provide preventive and corrective treatment for children, including: examinations, cleanings, fluoride treatments, fillings, and sealants.

Sexually Transmitted Infections (HIV/AIDS)

412.578.8081 ***Blakey Center***

This clinic provides confidential, free testing and clinical services for sexually transmitted infections including syphilis, gonorrhea, chlamydia, Hepatitis B and HIV/AIDS. Counseling is provided before and after HIV tests.

Traffic Safety

412.247.7962 ***Hosanna House***

This program promotes and educates community members of all ages about safe use of all modes of transportation including: driving, bicycling, walking, and utilizing public transit.

Women, Infants & Children (WIC)

412.350.5801 ***Investment Building***

WIC is a federally funded public health nutrition program under the USDA providing nutrition education, nutritious foods, breastfeeding support, and healthcare referrals for medically at-risk, income-eligible women who are pregnant or post-partum, infants, and children up to age 5. There are 9 WIC clinic locations in Allegheny County.
