To whom It may concern,

In an effort to respond as quickly as possible and get this resolved we have included attachments 1A, 1B, 2A, 2B as supporting documents on why we feel we do not own the property. These attachments are full versions of our credit reports from a website named credit karma. Note that there is no real estate mortgage account listed for the oak property. Additionally we have no judgements or accounts of any kind on our reports related to the oak property either.

Sincerely,

The Trozzo's
