

# ALLEGHENY COUNTY, PENNSYLVANIA CONTINUUM OF CARE (CoC)

## GOVERNANCE CHARTER

### Purpose

The U.S. Department of **Housing and Urban Development (HUD)** charges communities that receive funds under the Homeless Continuum of Care Program of the **Homeless Emergency Assistance and Rapid Transition to Housing Act (HEARTH Act)** with specific responsibilities. This document summarizes the Responsibilities and Authorities for Operation and Governance of the **Allegheny County Continuum of Care (CoC)** under the HUD HEARTH Act.

The purpose of this Charter is to:

- Outline the responsibilities and membership of the CoC;
- Establish the responsibilities and membership of the CoC's Homeless Advisory Board (HAB) to act on behalf of the CoC;
- Establish the duties and responsibilities of the CoC's Infrastructure Organization (IO), the Allegheny County Department of Human Services (DHS); and
- Establish the code of conduct, conflict of interest, Homeless Management Information System (HMIS) Governance Charter, and Charter Update Rules for the CoC.

### Key Stakeholders and Terminology

Allegheny County Continuum of Care (CoC) – The CoC is the county's community-based homeless assistance program planning network. It is composed of representatives from organizations such as nonprofit homeless providers, victim service providers, faith-based organizations, governments, businesses, advocates, public housing agencies, school districts, social service providers, mental health agencies, hospitals, universities, affordable housing developers, law enforcement, organizations that serve homeless and formerly homeless veterans, and homeless and formerly homeless persons to the extent these groups are represented within the geographic area and are available to participate. [Hearth Act §578.5(a)]

While the CoC's work will focus, at a minimum, on those services funded through HUD's Continuum of Care and Emergency Solutions Grant (ESG) programs, its work is intended to be generally inclusive of all housing and services for people experiencing homelessness or at risk of becoming homeless, regardless of the funding source associated with the services.

The Continuum of Care program – This program represent one of HUD’s funding streams. It supports transitional housing, permanent supportive housing for disabled persons, permanent housing, supportive services, and the HMIS.

Homeless Advisory Board (HAB) - The HAB is the working board that acts on the behalf of the Allegheny County CoC. It is comprised of representatives of relevant organizations and projects serving homeless subpopulations, at least one homeless or formerly homeless individual, and other stakeholders and local funders of the CoC. [Hearth Act §578.5(b)]

Infrastructure Organization (IO) – The Allegheny County DHS serves as the IO. The HAB has delegated to the IO the day-to-day and operational responsibilities that fulfill the core duties of the CoC. These, in part, include acting as the CoC’s Collaborative Applicant, providing overall financial management, developing and maintaining the HMIS, developing and running a centralized assessment and coordinated intake system, monitoring performance, providing data and reports, and staffing HAB meetings and initiatives.

Collaborative Applicant – The Collaborative Applicant collects and combines the required application information from all projects within the CoC and also applies for planning funds on behalf of the CoC. The HAB on behalf of the CoC has designated the Allegheny County DHS to serve as the CoC’s Collaborative Applicant. [Hearth Act §578.9(a3)]

## **Allegheny County Continuum of Care (CoC)**

Membership: The Allegheny County CoC is the collective membership body of representative stakeholders engaged in ending and preventing homelessness in Allegheny County. It meets bi-monthly. Any individual interested in contributing to and productively shaping the delivery of housing or homeless services who annually attends at least one recognized meeting of the CoC (which includes CoC meetings or HAB committee meetings) and provides basic contact information will be recognized as a general member of the CoC.

Responsibilities: As outlined in the Hearth Act CoC Interim Final Rule [§578.7], the broad responsibilities of the CoC include (1) operating the CoC, (2) designating an HMIS for the CoC, and (3) planning for the CoC. As a large membership body comprised of numerous stakeholders throughout the county, the CoC has delegated these responsibilities and decision-making authority to the HAB.

  - Ensure the operation of a coordinated intake and assessment system.
  - Ensure appropriate policies and procedures are in place that will result in an efficient, high quality operation in compliance with HUD standards. The HAB reviews and approves policies and procedures, drafted by the IO, for items that fall under the HAB's responsibilities for operating and planning the CoC.
- *Designating and operating an HMIS:*
  - Designate an HMIS Lead that has the capacity to run a system that collects and reports meaningful data.

## **Infrastructure Organization (IO)**

History: For the last 20 years, the day-to-day and operational responsibilities to fulfill the core duties of the CoC have been delegated by the HAB to an IO, the Allegheny County DHS. DHS also acts as the Collaborative Applicant on behalf of the CoC. DHS is well-positioned to play this role given its stewardship and access to county-wide funding for many of the services that supplement and complement HUD's funding (e.g. mental health; drug and alcohol; child welfare; TANF; etc.). It subsidizes the staffing needed to support the CoC and the HAB. It also maintains internal analytical capacity through its office of Data Analysis, Research and Evaluation (DARE) and provides access to the county's nationally acclaimed data warehouse that allows cross-system analysis of the individuals and families accessing the CoC.

DHS was created in 1997 to consolidate the provision of human services across Allegheny County. It is the largest department within Allegheny County government. In addition to its Executive Office, DHS encompasses five program offices (Behavioral Health; Children, Youth and Families; Community Services; Intellectual Disability; and the Area Agency on Aging) and three support offices (Administrative and Information Management Services; Community Relations; and Data Analysis, Research and Evaluation). Annually DHS serves more than 210,000 individuals (approximately one in six County residents) through an array of 1,700 distinct services.

DHS provides a wide range of services, including: services for older adults; mental health and drug and alcohol services (includes 24-hour crisis counseling); child protective services; at-risk child development and education; hunger services; homeless services; non-emergency medical transportation; job training and placement for public assistance recipients and older adults; and services for individuals with intellectual and/or developmental disabilities. As primary contractor to the Commonwealth of Pennsylvania for the Medicaid Behavioral Health HealthChoices program, DHS is able to work closely with the behavioral health managed care organization and others to promote prevention and holistic

health. DHS and its partners are also able to leverage behavioral health funds in order to maximize the benefit of HUD and other funding streams.

DHS provides services to eligible individuals without regard to race, color, sex, gender identity or expression, sexual orientation, age, religion, national origin, political affiliation, disability, familial status, military service, or religious, community or social affiliations.

Responsibilities: DHS serves as the Allegheny County CoC's IO. As the IO, DHS will fulfill the following responsibilities:

## **EXPECTATIONS AND CODE OF CONDUCT**

Board members, committee members, and staff members of the Collaborative Applicant and HMIS Lead must exercise care, diligence and prudence when acting on behalf of the CoC.

The members of the HAB are entrusted with specific responsibilities related to use of public funds invested in addressing a serious community concern—homelessness. Members are expected to observe the highest standards of ethical conduct in the execution of these responsibilities. In the performance of their duties, HAB members are expected to carry out the mandate of the CoC to the best of their ability, and to maintain the highest standards of integrity for actions with other members of the HAB, CoC representatives, service recipients, service providers, and members of the public.

Members of the HAB are expected to conduct themselves with courtesy and respect, without harassment, or physical or verbal abuse.

Personal relationships should not result in special considerations, including bias or favoritism, that influence the performance of their official duties in a manner contrary to the interest of the broader CoC. HAB members are expected to exercise adequate control and supervision over matters for which they are individually responsible.

HAB members must assure that the resources entrusted to them are used for conducting official business only. Members of the HAB must abide by the Conflict of Interest Policies set forth below.

In line with the rules and guidelines of the CoC, members of the HAB have a responsibility to protect the security of any confidential information provided to, or generated by, the activities of the CoC.

The solicitation and acceptance of gifts by an individual who is in a position to participate in a decision making process or gain inside information regarding the activities of the CoC (or by the organization(s) that he or she represents) that would provide a benefit in excess of the minimal value from persons, organizations, or corporations with a vested interest in the outcomes of decisions made by the HAB on behalf of the CoC or its member agencies is strictly prohibited.

Failure to abide by this Code of Conduct may result in an individual's termination of HAB membership.

## **CONFLICT OF INTEREST**

HAB and committee members must abide by the following rules in order to avoid conflicts of interest in compliance with 24 CFR §§ 578.95 (b), (d) and promote public confidence in the integrity of the HAB and its process. Failure to adhere to these rules is grounds for removal from the Board and any of its committees.

- HAB and committee members may not participate in or influence discussions or resulting decisions concerning the award of a grant or other financial benefit to:
  - Any organization that they or a member of their immediate family represents or has represented in the previous year; or
  - Any organization from which they or a member of their immediate family derives, or has derived, income or anything of value in the previous year.
- Whenever HAB or committee members or any of their immediate family members have a financial interest or any other personal interest in a matter coming before the HAB or one of its committees, they must:
  - Fully disclose the nature of the interest; and
  - Recuse themselves from discussing, lobbying, or voting on the matter.

HAB and committee members must disclose any actual or potential conflicts of interest regarding any business included in the meeting's agenda at the beginning of each HAB or committee meeting.

Any matter in which the HAB or committee members have an actual or potential conflict of interest will be decided only by a vote of disinterested individuals. The minutes of any meeting at which such a vote is conducted must reflect the disclosure of interested Board and committee members' actual or potential conflicts of interest and their abstention.

## **ANNUAL CONFLICT OF INTEREST ACKNOWLEDGEMENT FORM**

Members of the HAB or of any committee under this charter must sign a conflict of interest form annually, affirming that they have reviewed the conflict of interest policy and disclosing any conflicts of

interest that they face or are likely to face in fulfillment of their duties as members. Members will not be permitted to participate until the statement is on file with the Collaborative Applicant.

A conflict of interest exists if:

- The person currently, or within the last one year has been, or has a current agreement to serve in the future as, a Board member, staff member or paid consultant of an organization making a proposal for funding; or
- The person's employer or an organization on whose Board of Directors the person sits now has, or within the last one year has had, a contractual relationship with an organization making a proposal for funding. However, if the person's employer, or the organization on whose Board of Directors the person sits, is a funding entity or organization whose mission includes providing services and/or funding to other services providers, under this definition of "conflict of interest," no conflict exists; or
- Any other circumstance exists which impedes the person's ability to objectively, fairly and impartially review and rank the proposals for funding. For example, the person is currently enrolled in a program that is administered by an organization making a proposal for funding.
- Members of the CoC Program Committee Review Panel will have a conflict of interest if they have also submitted a project application for ranking and must recuse themselves from ranking their own project.

Failure to abide by this Conflict of Interest policy may result in an individual's termination of HAB membership.

## **UPDATING THIS CHARTER**

The HAB will review this Governance Charter on an annual basis and make changes or additions as required by regulation or in order to advance the goals and mission of the HAB. This Governance Charter and every subsequent amendment to it must be approved by a majority of the HAB members. The Executive Committee, in consultation with the IO, will review the Governance Charter annually and recommend to the HAB changes to improve the functioning of the HAB and maintain compliance with federal and state regulations.

## **Appendix A: Homeless Advisory Board (HAB) By-Laws**

Terms of Appointment and Service: Annually, the HAB will invite CoC members to join the Board. Persons wishing to serve on the HAB (or to nominate someone else) will fill out a nomination form that will be collected by the HAB each November. The selection process will involve a review for:

- HAB stakeholder representation needs;
- Conflicts of interest;
- Nominee willingness and ability to meaningfully contribute to CoC mission (e.g., time, staffing, finances, research, etc.);
- Nominee commitment to the CoC as evidenced by attendance at CoC meetings and/or experience in the field; and
- Consideration for diversity.

The HAB Executive Committee will make selections for new members from the annual pool of nominated applicants. These selections will then be voted on by the full HAB at the first HAB meeting in January of each year. Members may serve for two consecutive three-year terms. If a HAB member resigns during his/her term, he/she must notify the HAB Chair and Secretary in writing. HAB members may be asked to be replaced if they fail to meet expectations of the position as determined by the Chair of the HAB. Under normal circumstances, each year, it is anticipated that one third of the board membership will rotate through the nomination and appointment process.

All HAB members will attend bi-monthly CoC meetings. In addition, HAB members are expected to serve on at least one HAB Committee, most of which meet monthly.

Use of Proxy: A HAB member who is unable to attend a given meeting may not designate another person to act as her/his proxy (including the ability to vote on action items).

Voting: Items presented for a vote must be submitted to the chair at least 2 weeks in advance of the next CoC meeting. HAB members must be made aware of action items that will be voted upon in the CoC meeting at least one week prior to the meeting. Only HAB members can vote on motions. Half plus one of the seated members will constitute a quorum for the transaction of business at any meeting. If no quorum is present, votes will be tabled until a quorum can be reached. Two thirds vote is required to pass any motion.

All votes shall be cast in accordance with Robert's Rules of Order, newly revised (1970). No member may vote on any item which presents a real or perceived conflict of interest, as determined by the HAB Member and/or the HAB Chair.

Any action may be taken without a meeting of the HAB when necessitated by an urgent matter that requires approval by the Board in advance of the next scheduled meeting. If a meeting cannot be called, a discussion and vote may be held in the form of a conference call.

CoC Participation in Meetings: All CoC meetings will be open to the public and will be conducted in accordance with the Pennsylvania Sunshine Act. CoC and community members are encouraged to attend CoC meetings and to provide information to the CoC orally or in written form. Fifteen minutes will be designated at the end of every meeting for ad hoc updates and information sharing. Further, any member of the CoC may present an action item to the HAB for consideration or vote, provided that

these items are submitted to the HAB Chair or Vice Chair at least two weeks prior to the scheduled CoC meeting date. Only appointed members of the HAB will be permitted to vote on these items.

Meeting Logistics: CoC Meetings will be held every other month on the last Tuesday of the months of January, March, May, July, September, and November at 10:00 AM, or as otherwise determined by the Board in accordance with HUD requirements, at DHS's offices at 1 Smithfield Street, Pittsburgh PA 15222. Meeting agendas will be created by the HAB Executive Committee with support from the IO and will be distributed to HAB and CoC membership at least one week prior to the scheduled meetings, along with any meeting handouts and materials. Materials will be distributed by email unless a specific member requests fax or postal delivery. The IO staff will maintain records necessary to meet, at minimum, the requirements under the CoC Interim Rule. All meeting minutes and formal documents will be kept on file electronically at the Allegheny County DHS for a period of 5 years.

Meeting Cancellations: If a CoC meeting is cancelled due to weather or other unforeseen circumstances, the Chair will decide if the meeting will be rescheduled for a later date not to exceed 1 month past the original meeting date. If the meeting is not rescheduled, materials and updates will be sent to all HAB and CoC members within 1 week of the cancelled meeting date.

Board Officers: The election of officers will take place at the January meeting of the CoC. HAB members nominate candidates for officer positions within their existing membership and elect officers to a two-year term. Officers can be re-elected by HAB membership for up to two consecutive terms (four years). The three elected officers are the Chair, Vice Chair, and Secretary. These officers serve as part of the Executive Committee [described below]. Duties and responsibilities of the officers are as follows:

- Chair and Vice Chair – set CoC meeting agendas and run CoC meetings
- Secretary – finalize and distribute CoC meeting minutes
- All officers will represent the CoC and HAB at various community meetings and will advocate for the needs of the homeless population in Allegheny County

Committees: The HAB may designate committees to facilitate carrying out its duties. All committees are advisory to the board; they do not have decision-making ability outside of a vote by the full HAB, with the exception of the Executive Committee. Each HAB Committee must have two Co-Chairs, one HAB member and one representing the CoC-at-large (appointed by the HAB Executive Committee). Each Committee will have at least one IO representative and should also strive to have at least one participant who has experienced a housing crisis, either in the past or present. In order to efficiently and effectively carry out tasks, HAB Committees should not exceed 15 members, including co-chairs. Any member of the CoC can serve on a committee. Co-Chairs are responsible for setting the direction and agenda for the Committee in accordance with HAB priorities and ensuring the right membership mix is available for committee work. Each Committee will keep records of attendance and minutes. Each Committee will establish a regularly scheduled date, time and location for meetings.

Proxy Committee Chairs: If a HAB Member would like to name a proxy to serve as a committee chair, the proxy member must represent a similar organization / background as the member and must have an understanding of the issues presented before the committee. The written request for proxy authorization must be provided to the HAB Chair so that it may be entered into the record.

Committee Chair Responsibilities: Committee Co-Chairs attend all CoC meetings and may be asked to provide a report of their Committee's progress at CoC meetings, at the discretion of the HAB Chair. Committee Co-Chairs may request for items to be presented for vote at CoC meetings, following rules for submission of items outlined above. In the event that a specific committee has achieved its specific goals or there is a desire to merge committees, the Chairperson from the committee will place this item on the agenda of the CoC meeting and the HAB will vote on the change in structure.

The following are HAB standing committees; their duties and responsibilities are outlined below.

1. **Executive Committee.** The Executive Committee is the primary planning body for the CoC. It consists of the three HAB officers (Chair, Vice Chair and Secretary), the HAB members who are also Committee Co-Chairs, and an IO representative. The purpose of the Executive Committee is to set CoC meeting agendas and to drive the strategic direction of the HAB and the Allegheny County CoC, based upon data, best practices/evidence-based practices and established priorities.

The Executive Committee has the authority to:

- Represent the HAB as a whole and vote on critical issues when timing required for a decision does not permit scheduling a full board meeting. If this occurs, the decision must be ratified by the full HAB at the next meeting ;
  - With HAB and full CoC input, draft the strategic plan/direction for the CoC and present the plan/direction for vote by the HAB;
  - Annually review the CoC Governance Charter and recommend changes to improve HAB functioning;
  - Appoint Co-Chairs to HAB Committees;
  - Orient new HAB members;
  - In collaboration with IO, ensure that the CoC is operating in compliance with federal and state regulations; and
  - Creates Ad Hoc Committees when needed.
2. **Continuum of Care (CoC) Program Committee.** The CoC Program Committee reviews the annual HUD application requirements and advises the HAB and the IO (which also serves as the HUD Collaborative Applicant) on application submission. It creates an evaluation tool that is used to establish project rankings for funding recommendations within the continuum and annually creates the review panel and evaluation sheet for reviewing ranking projects. The CoC Program Committee assists with the establishment of performance targets by population and project type, reviews concerns raised through monitoring of recipient and sub-recipient performance and outcomes, and makes recommendations to the IO and HAB for addressing poor performers. The CoC Program Committee also convenes a review panel to rank providers for the annual HUD application. Finally, the CoC Program Committee is also responsible for ensuring that the population needs in the community and the types of programs in the application are congruent.
  3. **Communication and Education Committee (formerly Advocacy).** The purpose of the Communication and Education Committee is to develop and distribute messaging about the needs of homeless persons in Allegheny County. Based on the conviction that the organized, strategic, and effective engagement of stakeholders in relevant policies and funding is critical to

creating an effective homeless system, this committee also coordinates advocacy efforts at the county, state and federal levels.

4. **Data and Planning Committee.** The purpose of the Data and Planning Committee is to regularly review available data, propose data collection needs and performance metrics to the HAB, and identify trends, gaps and needs. It establishes clear guidelines for data requests to the IO and annually determines the HAB's main data needs for the coming year so the IO can meet those needs in a timely fashion. The data committee also works closely with the CoC Program Committee to provide data interpretation for the annual HUD ranking and submission process. Finally, the Data and Planning Committee assists the IO with planning for and reviewing results of the annual Point-in-Time study.
5. **Homeless Outreach Coordinating Committee (HOCC).** The purpose of the HOCC is to address the complex issues and challenges faced by people experiencing housing crisis living in places not meant for human habitation, which includes being on the streets and under bridges or using the emergency shelter network in Pittsburgh and Allegheny County. Annually, the HOCC assists with implementation of the Point-in-Time study. The committee also ensures that street outreach agencies are notified of any targeted homeless encampments before evictions. They also help to develop strategies to education and inform law enforcement officials and other stakeholders about the needs of unsheltered population.
6. **Ad Hoc Committees.** In addition to the above standing committees, the HAB Executive Committee may create ad hoc committees to carry out special initiatives that it deems can best be accomplished by a committee of the HAB.
7. **Affiliate Groups.** While not official HAB Committees, there are numerous outside affinity groups and taskforces whose work is of critical importance to the CoC and is integrated into the HAB's planning capacity. Their members are represented within the CoC and the HAB includes their work in CoC meeting agendas as well as Ad Hoc Committees when appropriate. Examples of affiliate groups include:
  - Homeless Education Network (HEN)
  - Veteran's Boot Camp Committee
  - Local Housing Options Team (LHOT)
  - Unaccompanied Youth Task Force
  - Employment and Training Advisory Board (ETAB)
