## COUNTY COUNCIL RELEASES DEER MANAGEMENT INFORMATION FOR RESIDENTS

**PITTSBURGH** – On Thursday, Allegheny County Council posted on its homepage information pertaining to deer management, a topic of concern for many citizens in Allegheny County.

The Pennsylvania Game Commission has sole authority to manage Pennsylvania wildlife, including white-tailed deer. Deer management plans are often handled at the municipal level, while Allegheny County is limited to deer management on County property.

Addressing deer issues in developed areas involves numerous stakeholders, and this diversity often results in a wide range of views and opinions regarding what action, if any, should be taken. Recognizing that each community is unique, Council created the homepage of information to serve as a resource for local communities.

Council encourages residents to visit: <http://www.alleghenycounty.us/council/index.aspx>. For more information, please call Council's main line at 412-350-6490.
