Kane Regional Centers Host Events in Observance of Nursing Home Week

PITTSBURGH – In observance of National Nursing Home Week, all four Kane Regional Centers will be hosting daily events to encourage families and friends to reach out and visit with their loved ones and caregivers. The American Healthcare Association has designated the week as “Bring on the Fiesta” and that theme is carried out throughout the week’s events.

“We celebrate and express our gratitude for those who work and live in long term care centers during National Nursing Home Week,” said Kane Executive Director Dennis Biondo. “We also appreciate the contributions from family members, volunteers and the community. Working together, we make Kane a special place for our residents.”

The week’s festivities began yesterday with Mother’s Day celebrations at each of the facilities, and continue throughout the week with the following festivities. With the exception of events noted specifically for employees or residents, the activities are open to residents, employees and visitors alike:
