## **Fitzgerald Submits Two Bills for Consideration at November 8 Meeting of Council**

**PITTSBURGH** – County Executive Rich Fitzgerald submitted two bills to County Council for referral or consideration at its upcoming November 8<sup>th</sup> meeting:

- Ordinance authorizing acceptance of a 1982 Mack Pumper Truck for the Allegheny County Fire Academy, being donated by the Borough of Blawnox
- Ordinance approving the sale of approximately nine acres of undeveloped county property located on McIntyre Road in Ross Township for \$1,250,000 to Regional Development Partners LP to be developed into an upscale mixed-use development including specialty retail, restaurants, a motel, and an apartment building with parking and landscaping.

County Manager William D. McKain CPA also announced that on October 21, Chris Roland, Interim Maintenance Supervisor at Round Hill Park, was presented with the Exemplary Employee Award in recognition for his efficiency and productivity in his position. He has identified and implemented “out-of-the-box” ways to improve the operations of the park and farm and, as a result, has improved the health of the animals, and entered into cooperative relationships that have benefitted Round Hill Park, the Parks Department and Allegheny County. Chris was surprised at the offices of the Parks Department and presented with a joint county proclamation from the Executive, Council Member Dr. Charles Martoni and the full Council and given a token of appreciation from the county.
