Allegheny County Again Offering Christmas Tree Recycling Program

PITTSBURGH – Allegheny County is again offering its annual Christmas Tree Recycling Program this holiday season. County residents can drop off their Christmas trees beginning Tuesday, December 26, 2017 through Tuesday, January 16, 2018 at all nine regional parks during regular hours of operation (dawn to dusk).

All lights, decorations, tinsel, and stands must be removed from trees prior to drop-off. The trees will be mulched and used in our parks.

Following are the drop-off locations:

Boyce Park	Parking lot by the soccer fields
Deer Lakes Park	Parking lot by the Veterans 2 Shelter
Harrison Hills Park	Parking lot at the intersection of Chipmunk & Cottontail Drive
Hartwood Acres Park	Parking lot at the mansion
North Park	Parking lot at the swimming pool
Round Hill Park	Parking lot at the Alfalfa Shelter
Settlers Cabin Park	Parking lot by the wave pool
South Park	Parking lot at the wave pool
White Oak Park	Parking lot at the Chestnut Shelter

During the 2016-17 program, more than 2,000 trees were received and recycled, with the resulting mulch used for various purposes throughout the park system's 12,000 acres.
