PITTSBURGH – County Executive Rich Fitzgerald has submitted four bills to County Council for its consideration or referral to committee at its next meeting, Tuesday, December 4:

- Ordinance approving the sale of property at 4991 Library Road in Bethel Park to 25R624 Realty for the purchase price of \$400,000; the county had previously deemed that it was in the best interest of the county to sell said property and the purchaser's offer occurred in response to an RFDP issued by the county.
- Ordinance approving the sale of approximately 8.2 gross acres of county property located on McIntyre Road in Ross Township to Regional Development Partners – McKnight Road LP for the purchase price of \$1,250,000; the county had previously deemed that it was in the best interest of the county to sell said property and the purchaser's offer occurred in response to an RFDP issued by the county.
- Ordinance authorizing the acceptance of approximately one and a half acres of land that is in proximity to White Oak Park; the property, located near the intersection of Jacks Run Road and McClintock Road, will inure to the benefit of the citizens of the county.
- Resolution ratifying asbestos abatement permit application fee changes approved by the Board of Health in July; the changes offset significant costs incurred by the Health Department due to frequent requests for inspections at large asbestos abatement projects while lessening the permit costs for municipalities seeking to demolish blighted asbestos-containing structures within their communities.
