Fitzgerald Statement on the Passing of Former President Bush

PITTSBURGH – County Executive Rich Fitzgerald’s statement on the passing of former President George H. W. Bush follows:

“Our thoughts and prayers go out to the Bush family. George H. W. Bush’s death marks the end of an era, as the last World War II veteran to have served as president.

“He lived a life of service to our country - first as a naval aviator in World War II, then as a Texas Congressman, CIA Director, Vice President and President. Even after his presidency, he continued to serve with the creation of the Points of Light.

“President Bush’s life is an example to all of us of how to serve and to always put love of country in the forefront of that service.”
