County Police Investigating Fatal Pedestrian-Vehicle Collision

CITY OF MCKEESPORT, ALLEGHENY COUNTY – At about 6:05 p.m. this evening, County 9-1-1 received multiple calls regarding a pedestrian being struck by a motor vehicle on the McKeesport-Duquesne Bridge. McKeesport Police and EMS arrived on scene. The 71-year-old male pedestrian was pronounced dead at the scene.

County Police Homicide Detectives and Collision Reconstruction initiated an investigation. The investigation revealed that a 76-year-old male was driving a conversion van from the McKeesport side of the bridge within his proper lane of travel. The 71-year-old male crossed the travel lanes near midspan of the bridge in a poorly lit area and in front of the van before being struck. The driver of the van immediately stopped to render aid and call 9-1-1. Although the investigation is ongoing, investigators do not suspect the driver of speeding or alcohol use.

Anyone with information concerning this incident is asked to call the Allegheny County Police Tipline at 1-833-ALL-TIPS (1-833-255-8477); callers can remain anonymous. The department can also be reached via its social media sites.
