Fitzgerald to Present Final 2019 Quarterly Address
McKain Announces New Chief Information Officer, Deputy

PITTSBURGH – Pursuant to Section 5-307.08 of the Administrative Code, County Executive Rich Fitzgerald will provide his quarterly address to County Council during its upcoming, final 2019 meeting on December 10.

County Manager William D. McKain CPA announced that Jason B. Ditzenberger has been named the new Director of the Department of Information Technology and the county's Chief Information Officer (CIO). Ditzenberger had previously served as Deputy CIO beginning in May 2013 and has been an employee of the county since 2005. Prior to joining the county, he was an independent consultant focused on maintaining networks and developing technology solutions for clients including Century Heritage Federal Credit Unit, OMNIPLEX World Services Corporation, the National Security Agency and others. He holds a bachelor's degree in Management Information Systems with a Business Administration concentration from Grove City College. He is a resident of Kennedy Township.

Michael A. Kosco has been named the county's Deputy CIO. Since August 2013, he has served as the Infrastructure Operations Manager in the Division of Computer Services. He joined the county in September 2005, after having worked previously for CIGNA Systems as a Project Manager and the IT Operations Lead. A veteran of the United States Air Force, Kosco holds a master's in Information Systems from Drexel University and a bachelor's in Information Science from the University of Pittsburgh. He is a resident of Baldwin Borough.
