## **Health Department's Springdale WIC Location to Reopen December 5** *Mount Oliver Location to Remain Closed for Renovations*

**PITTSBURGH** – The Allegheny County Health Department (ACHD) announced that its Women, Infants and Children (WIC) office location in Springdale will reopen starting Thursday, December 5. The Springdale WIC office will be open Thursdays and Fridays from 8 a.m. – 4 p.m.

“The Springdale location had been temporarily closed to accommodate increased demands at other WIC offices across the county,” said ACHD Interim Director Ron Sugar. “We are very pleased to be able to reopen earlier than expected for our WIC participants. Our Mount Oliver office remains closed to complete some interior renovations and expansion. We anticipate reopening the Mount Oliver location some time in February of 2020.”

Participants that use the Mount Oliver office should continue to use the Downtown WIC location in the interim. That address is:
