Fitzgerald Statement on the Passing of Former State Rep. Bill Robinson

PITTSBURGH – County Executive Rich Fitzgerald issued the following statement today on the passing of former State Representative Bill Robinson who also served as City of Pittsburgh Councilman and Allegheny County Council Member:

“I’m sorry to hear of the passing of former State Representative, County Council Member, and City of Pittsburgh Councilman Bill Robinson who represented his community at the city, county and state levels of government.

“I had the pleasure of serving on County Council for eight years with Bill and worked on many groundbreaking initiatives with him, including a countywide smoking ban, creation of a county Human Relations Commission, row office consolidation and many others. It was important work as this county transitioned from the commissioner form of government to an executive and council body form of government.

“My condolences go out to the Robinson family and their friends on this loss.”
