## Part of Thoms Run Road in Collier to Close on September 14

**PITTSBURGH** – The Department of Public Works announced today that a 300-foot section of Thoms Run Road about 500 feet west of its intersection with Boyds Run Road in Collier Township will close starting at 9 a.m. on Monday, September 14, 2020. The closure, which is expected to end in October 2020, is required for construction of two support walls.

Traffic will be [detoured](#) using Thoms Run and Oakdale Road, Hilltop Road, and Forsythe Road. All homes and businesses on Thoms Run Road will be accessible throughout the closure.

The work is part of an ongoing project on Thoms Run Road that will require another closure later this year, when crews will replace a culvert near Forsythe Road and Prestley Road. Public Works will announce the exact start date for that closure nearer to when it is expected to begin. The information will be provided to the public via a [press release](#), [Allegheny Alerts](#), and social media.

The project is being done by Northeast Paving, a division of Eurovia Atlantic Coast, LLC, of Pittsburgh, as part of the \$10.7 million 2019 Capital Roads contract.
