Work Completed, Traffic Patterns Return to Normal on Greensprings Avenue

PITTSBURGH – The Department of Public Works announced today that work on Greensprings Avenue near Spring Street in West Mifflin has been completed earlier than expected. Crews replaced a portion of a deteriorated concrete culvert, milled and paved, as well as installed a storm grate and pavement markings. The work, which began on September 8, 2020, required a westbound lane closure on Greensprings Avenue between Spring Street and Duquesne Avenue.

The \$73,123 project was done by Pugliano Construction Company, Inc. of Pittsburgh.
