Upcoming Single-Lane Closures to Occur in Sewickley Heights, Ross and South Park

PITTSBURGH – The Department of Public Works announced today that crews will be collecting soil samples needed for the design of three future bridge projects. The work will require the following traffic restrictions:

- The southbound lane of Fern Hollow Road at Pink House Road in Sewickley Heights Borough will be closed from 7 a.m. to 4 p.m. on Monday, October 26, 2020, for drilling near Little Sewickley Creek South Branch Bridge No. 1.
- There will be alternating single-lane closures on McIntyre Road in Ross Township between Bryon Road and Thompson Run Road from 7 a.m. to 4 p.m. on Monday, November 2, 2020, for drilling near Pine Creek South Branch Bridge No. 10.
- There will be alternating single-lane closures on Wallace Road in South Park Township about 250 feet west of Cochran Mill Road from 7 a.m. to 4 p.m. on Monday, November 9, 2020, for drilling near Lick Run Bridge No. 2.

Flaggers will be used to control traffic when the closures are implemented, and drivers are urged to use caution in the work zones.

The work will be done by AWK Drilling, Inc., of Turtle Creek, and it will cost \$45,000.
