## Letter of Interest for Property Owned by Redevelopment Authority of Allegheny County

As part of our continuing partnership with the Borough of Braddock, the Redevelopment Authority of Allegheny County recently acquired 46 vacant properties along the Braddock Avenue business corridor so that they can be stabilized and returned to productive use.

RAAC will assess the condition of the properties and then issue Requests for Development Proposals (RFDPs) for some or all the properties. If you are interested in one or more of these properties and would like to receive a copy any RFDPs that are released, then please complete this form and return to:

Please note that we are not guaranteed to release RFDPs for all properties. Copies of any RFDPs that are released will be posted on our website: [www.alleghenycounty.us/economic-development/bids/bid-notices.aspx](http://www.alleghenycounty.us/economic-development/bids/bid-notices.aspx).
