Frequently Asked Questions

1. When and how will the applicants know whether they have been considered?
 - Applicants will be notified via an emailed letter approximately 30-60 days after the close of the application period.
2. Applications DO NOT need to be notarized.
3. Professional Certification only needs to be filled out for Construction/Rehabilitation Projects.
4. Can the Concurring Resolution be sent in after the application period closes?
 - Yes. Please state on the current page that it will be forthcoming.
5. Is there anything an applicant can do to increase their chances of being awarded?
 - The Commonwealth Financing Authority makes award decisions. Contact your State and Local Representative and request that they support your project.
6. Are costs eligible for reimbursement if the project has already begun?
 - No, only costs incurred after the contract with the Redevelopment Authority of Allegany County (RAAC) has been executed.
7. What is the process once a project has been awarded?
 - You will receive an award letter by email stating the amount awarded and including an acceptance offer, which must be returned to RAAC.
 - A contract must be prepared, and a project manager will contact you to discuss the contract process.
 - Only the costs incurred within the contract period will be eligible for reimbursement.
 - A GEDTF contract period is 12 months.
 - Once the contract has been executed and all the required deliverables are in place, costs may be submitted for reimbursement.
 - The Project Manager will be able to answer all questions regarding the contract at that time.
8. What happens if the project is not completed by the end of the contract?
 - Sub-Grantees may request an extension; They are generally approved in six to twelve-month increments.
