Signing the Marriage License Application

Both parties must sign their portion of the marriage license during a video interview call with the Marriage License Office and the ACJ Video Department.

1. The non-incarcerated partner must prepare for the video call to sign the marriage license by **choosing an Option** to participate in the video call.

Virtual Option: The non-incarcerated partner must have the Microsoft Teams software application downloaded and installed on either a laptop or desktop PC with a video camera. (Chromebooks and cell phones will not work.) Microsoft Teams will be used for the video call.

Onsite Option: The non-incarcerated partner can sign their portion of the license using a computer onsite at the Marriage License Office during the video call. The Marriage License Office is located on the first floor of the [City-County Building, 414 Grant Street, Pittsburgh, PA 15219](#).

2. The non-incarcerated partner **must call the Marriage License Office** at 412-350-4230 to schedule the video call, at least 24-48 hours in advance but no later than 30 days after applying online. The non-incarcerated partner will let the Marriage License Office know that their partner is incarcerated and the temporary ID/application number. Appointments are scheduled on a first-come, first-serve basis.
3. The Marriage License Office will schedule the video call during a weekly scheduled call on Tuesdays or Fridays from 1-2 pm. At the appointed time, the incarcerated partner will be taken to the ACJ Video Department for the video call. The Video Department and Marriage License Office will have the call ready and add both partners. The Marriage License Office will relinquish control of the screen to the incarcerated individual to sign the Marriage License electronically.

NOTE: Pennsylvania law requires a mandatory three-day waiting period before the license is

issued. The marriage license may be picked up at the Marriage License Office by either the non-incarcerated partner, a friend or relative, or it may be mailed upon request. Your license will be good for 60 days and there will be no extension if you do not use the license within the 60-day period the license is valid.
