

For St. Patrick's Day, Allegheny County Council thought it was time to honor the Irish people and Irish organizations that are a staple of Pittsburgh and Allegheny County's fabric. Members of Council also participated in the Pittsburgh St. Patrick's Day Parade held on March 16, 2024, which is one of the oldest and largest St. Patrick's Day celebrations in the country.

During each presentation there were several resounding themes: hard work, dedication, and charity, all important characteristics of any community or organization but common place amongst the Irish organizations in Allegheny County. Each organization and person honored, place a great emphasis on helping others and each individual and group has a mission of leaving their community just a little bit better than they found it.

## Traveling Glass Recycling Program

Self-serve glass drop off site that comes to you, traveling to various places around the county.

---

### Why recycle glass?

Glass is still one of the most recyclable materials we generate in our homes and should not be trashed. Glass bottles and jars are 100% recyclable and can be recycled endlessly without losing any quality! This makes the effort to put these items back into the recycling ecosystem even more important.

### How do I prepare the glass?

Containers should be empty and rinsed. Lids and labels don't need to be removed. Please remember that any bags and boxes used to carry the glass must be taken with you and discarded off-site.

### What types of glass are acceptable?

Check the flyer to see what can be recycled in the Traveling Glass Bin program:

<https://prc.org/workshops-collection-events/collection-events/glass-recycling/permanent-glass-bin/>
