KEYS Service Corps AmeriCorps®

Everybody can be great,
because anyone can serve.

Getting things done

Since 1996, KEYS Service Corps AmeriCorps members have been serving Allegheny County youth in local schools, after-school programs, and community-based and faith-based organizations. The primary activities for our members are tutoring, mentoring, and engaging youth in service projects year-round.

In exchange for their service, AmeriCorps members receive a modest living allowance and may be eligible for forbearance on qualified student loans, child care, health insurance, and, upon successful completion, money for their education.

One of the main criteria businesses, government, schools and non-profits look for in candidates is experience...skills that can only be learned by doing. Gain experience with us and find your calling!

“When I see how much I have helped make a difference in so many lives in such a short span of time, I can honestly say this has been the hardest and most rewarding year of my life.”

Member impact

Over 2,000 members, trained in professional development and civic engagement, have proven their talents and polished their resumes.

In addition, KEYS AmeriCorps members have earned, in all, more than \$4.7 million to pay for their education.

After completing their terms of service, our members continue to be active citizens in their communities - many going on to be hired at their host sites.

Youth impact

Every year, KEYS AmeriCorps members mentor and tutor several hundred youth across Allegheny County.

KEYS AmeriCorps members ...
