THE STATE OF
Human Services
IN ALLEGHENY COUNTY

We warmly invite you to join us for a series of presentations on The State of Human Services in 2025.

Erin Dalton, Director of the Allegheny County Department of Human Services, will provide key updates, highlight recent accomplishments, and share insights into upcoming initiatives. Each session will include a live Q&A, offering an opportunity to engage directly.

This year's series will feature four sessions, each spotlighting a high-priority issue. Guests are welcome to attend one, several, or all sessions, as each will cover unique content.
