

Ski Lift Operator

Must be 18 years or older

Job Summary

Under the supervision of the Facility Manager this position is responsible for the loading/unloading of skiers and tubers safely on and off chair and surface lifts. Occasionally performs other duties, such as, general maintenance of the ski slope facility.

Explanatory Comments

The work activities in this position are mainly concerned with the safety of skiers and snow tubers. This position entails physical activity and being able to work in inclement weather.

The Ski & Tubing Area operates mid-December until mid-March and requires employees to work evenings, weekends, and holidays.

Training and Experience Required

This position requires a high school education or its equivalent. Students in park related studies are desirable. An interest or background in skiing is also helpful.

Must be 18 years of age or older

Major Duties

- **Loading / Unloading** skiers and snow tubers safely on and off the lifts.
- **Enforce** area rules and safety regulations.
- **Maintain** snow surface at loading and unloading ramps.
- **Provides** general maintenance of the ski slope facilities.
- **Assists** the manager and assistant manager of the ski slopes in daily operations.

Wages

- \$15-18/hour based on experience

The above statements reflect a general description of this position and are not intended to be an all-inclusive list of tasks which an employee may be assigned including alternate functions from time to time, both within and outside of their assigned department. This includes working in ski/snowboard rentals, and ticket sales.
