IMPORTANT NOTICE
CHANGE TO ELECTRONIC NOTIFICATION AND BIDDING SYSTEM

Dear Supplier,

Allegheny County is excited to announce a new partnership with Bonfire Interactive. In order to receive Allegheny County solicitation notifications from the new system, you must complete the registration process which will only take a few minutes.

You are requested to visit <https://alleghenycounty.bonfirehub.com> to register your company.

Registration is easy and free. Please be sure to select **NAICs** codes associated with your type of business or organization. Our solicitations will be set up using those codes and will be matched to suppliers and contractors with the same codes. It is important that you select only the **NAICs** codes that are specific to your business, otherwise, you will receive notices that are not relevant to your organization.

Allegheny County is excited about the changes we are making to streamline our electronic bid process and we look forward to continuing our good relationship with you and appreciate your interest.

Should you have any questions, please contact **Kelly Stockman** (Kelly.Stockman@AlleghenyCounty.us). Thank you for your interest in doing business with **Allegheny County**

Sincerely,

Frank Alessio III
