**A HIGHMARK HEALTH COMPANY**

When you're concerned about your health, waiting weeks for care is just too long. With **same-day appointments**, you can have less waiting and less worrying.

---

## (412) DOCTORS

Call in by AM. Be in by PM.

---

When you call **(412) DOCTORS** between 7 and 11 AM, Monday – Friday, you will be offered a **same-day appointment** for specialty or primary care that afternoon.

With a same-day appointment, you can get the high-quality, Allegheny Health Network specialty or primary care you need. Over 20 specialties are available for same-day appointments, including heart care, cancer care, and women's health.
