TEMPORARY ADDED PRODUCTS DUE TO COVID-19

March 31, 2020

Dear Store Owner/Manager:

Due to the shortage of some foods in stores in response to the COVID-19 pandemic, PA-WIC has decided to temporarily add some products that were not previously authorized for purchase with the eWIC card. PAWIC has added extra-large and jumbo sized white or brown eggs (in cartons of a dozen), organic canned beans (in 15-16oz size cans), organic dried beans (in 16oz packages), canned tuna in oil (in 5oz cans), and WIC allowable cereals (in sizes smaller than 12oz) to our authorized product list (APL). We are hopeful by adding these other items, for a temporary time period, that WIC customers would be able to purchase their needed items. These items are listed on the subsequent pages of this document.

Please make sure that your store has downloaded the newest APL to allow the purchase of these items.

If you have any questions, please feel free to contact Heather LaTour (hlatour@pa.gov) or Penelope Heichel (pheichel@pa.gov) of the Bureau of WIC via email

Thank you for serving the WIC participants in Pennsylvania!
