- 4. The New Source Review permitting rule –**
A special vote was held on the New Source Review that the committee had previously voted to go to public comment if there were no negative/adverse comments. Three comments had been received since the previous meeting on December 10, 2018, and one had an objection to the regulation as written, so there for the rule had to be voted on by the Advisory Committee to advance it to the Board of Health and eventually to the County Council for final approval. Jayme gave a brief overview of the negative/adverse comments made and the changes made as a result of the comments.

Motion made by Bob Orchowski seconded by John Palmieri – unanimous.
