

INSTRUCTIONS

ALLEGHENY COUNTY HEALTH DEPARTMENT ASBESTOS ABATEMENT CONTRACTOR LICENSE APPLICATION

ENCLOSURE A - Provide a list of any other companies or entities with which you are affiliated or from whom you receive funding (i.e. partnerships, joint ventures, subsidiaries, parent companies). Include mailing addresses, telephone numbers and contact people.

ENCLOSURE B - According to Section 2105.61 (a & b) of Article XXI, Rules and Regulations of the Allegheny County Health Department, Air Quality Programs, all persons engaged in the removal or encapsulation of friable asbestos containing material must have successfully completed an asbestos health and safety training course within the previous twelve (12) month period. The training course must be fully accredited by the Environmental Protection agency in accordance with either the asbestos abatement worker or asbestos abatement supervisor accreditation requirement, whichever is applicable of the EPA Model Accreditation Plan (40 CFR 763, Subpart E, F & G, ¶ 763.80 et seq. And appendices, **and** the PA Asbestos Occupation Accreditation and Certification ACT (63 PS ¶ 2104 & 2105) Appendix C). **Provide evidence of this training by enclosing a copy of the employee's PA Asbestos Certification License. Provide as well, a copy of the PA DOLI License for individual contractor and your company.**

ENCLOSURE C - Provide a copy of your written standard operating procedures and employee protection plans implemented by all your employees engaged in asbestos abatement activity. Include specific reference to OSHA medical monitoring and respirator training programs. Provide appropriate documentation of employee participation in these plans.

ENCLOSURE D - Sign of the reverse side and return the enclosed certification to attest that all your employees engaged in asbestos abatement are and will continue to be supplied with protective clothing and equipment. Provide a list of said clothing and equipment which is owned or leased by your company.

ENCLOSURE E - Provide a list of citations, administrative orders, warnings or penalties you have received in connection with any asbestos abatement project, and a list of any lawsuits which have been filed against you with regard to any asbestos abatement project. This list should include citations or lawsuits levied against any of your predecessor companies. Attach documentation of these where applicable.

NOTE: The current fee for both initial applications and renewal applications is \$150.00. Make checks payable to Allegheny County Air Pollution Control Fund and Mail to:

**Allegheny County Health Department
301 39th Street, Building #7
Pittsburgh, PA 15201-1891
Attn: Asbestos Abatement Permitting**

CERTIFICATION

I certify that all of my employees engaged in asbestos abatement will continue to be supplied with protective clothing and equipment, including but not limited to, disposable whole body coveralls, hoods and boots, and respirators approved for asbestos protection.
