**NOW**, this 4<sup>th</sup> day of June, 2020, the Allegheny County Health Department (hereinafter “ACHD” or “Department”) issues this Enforcement Order after it has found and determined the following:

1. The Director of the ACHD has been delegated authority pursuant to the federal Clean Air Act, 42 U.S.C. Sections 7401 -7671q (hereinafter “CAA”), and the Pennsylvania Air Pollution Control Act, 35 P.S. Sections 4001-4014 (hereinafter “APCA”), and the ACHD is a local health agency organized under the Local Health Administration Law, 19 P.S. §§ 12001-12028, whose powers and duties include the enforcement of laws relating to public health within Allegheny County including, but not limited to, the ACHD’s Rules and Regulations, Article XXI, Air Pollution Control (Allegheny County Code of Ordinances Chapter 505, 507, and 535) (hereinafter “Article XXI”).

2. The ACHD, through its powers under Article XXI, maintains the authority to regulate all asbestos abatement activity within the boundaries of Allegheny County. Article XXI also incorporates the federal asbestos abatement regulations regarding asbestos abatement activity in Allegheny County. Article XXI § 2105.62.b.

3. Curtis Morehead is the owner of a commercial property located at 2214 Centre Ave., Pittsburgh, PA 15219 (Parcel ID: 0010-P-00141) (hereinafter “Centre Ave. Property”).

4. Jadell Minniefield Construction Services, Inc. (hereinafter “Jadell Minniefield Construction”) is a Pennsylvania corporation with a registered business address of 212 Mansion St., Pittsburgh, PA 15207. Jadell Minniefield Construction is licensed as a general contractor by the City of Pittsburgh and provides building demolition services.

5. On November 12, 2019, Jadell Minniefield Construction was issued a permit (Permit No.: 19-D-00089) by the City of Pittsburgh to demolish a commercial structure located on the Centre Ave. Property.

6. On April 14, 2020, an ACHD Representative inspected the site and observed the completed demolition of the commercial structure located at the Centre Ave. Property. No building material was present and the lot was flattened out with grass covering the property.

7. The ACHD and the federal asbestos abatement regulations require that before any demolition or renovation work is performed in a facility, the owner or operator of a demolition or renovation activity must complete an asbestos survey by a licensed inspector to determine whether the facility contains asbestos. Article XXI § 2105.62; 40 C.F.R. § 61.145(a).

8. The ACHD regulations further provide that for all demolition work and for renovation work in which asbestos containing material was found during the survey, the owner must submit to the ACHD and the United States Environmental Protection Agency (“EPA”) an Asbestos Abatement and Demolition/Renovation Notification Form along with the asbestos survey report ten (10) working days prior to demolition or renovation work starting. Article XXI § 2105.62.f-g; 40 C.F.R. § 61.145(b).

9. The ACHD has no record of an Asbestos Abatement and Demolition/Renovation Notification Form being submitted for demolition of the Centre Ave. Property.

10. The ACHD has determined that Curtis Morehead and Jadell Minniefield Construction are in violation of Article XXI, § 2105.62, and 40 C.F.R. § 61.145(b), by failing to submit to the ACHD an Asbestos Abatement and Demolition/Renovation Notification Form along with the asbestos survey report ten (10) working days prior to demolition work starting.
