

Want to safely dispose of expired or unused prescription drugs?

Every day, 44 people in the U.S. die from prescription painkiller overdoses, and many more become addicted.

We need your help.

Help prevent drug abuse and accidental overdose in your home by disposing of your household's unused prescription drugs at one of four Allegheny County drug takeback locations.

The Pennsylvania Office of the Attorney General, the Pennsylvania Department of Drug and Alcohol Programs (DDAP), the Pennsylvania District Attorneys Association (PDAA), and the Pennsylvania National Guard (PNG) have come together for a statewide drug takeback program.

Want to find the location closest to you? Download DDAP's app here:
<https://apps.ddap.pa.gov/GetHelpNow/PillDrop.aspx>.
