### **Health Department Clinic to be Closed Tuesday, January 13**

**PITTSBURGH** – The Allegheny County Health Department’s STD and Immunization Clinics at 3441 Forbes Street in Oakland will be closed on Tuesday, January 13, 2015 due to repairs on a water main break that will impact water and electric service to the building. The work is expected to last just one day.

All patients with scheduled appointments are being notified of the closing and will be rescheduled. Patients which need to schedule an appointment may call 412-687-2243 tomorrow for scheduling purposes.

Appointments after Tuesday will remain as scheduled. If clinic operations will be impacted further, additional updates will be provided.
