### **New *Live Well Allegheny* Restaurant, August Food Establishments Announced**

**PITTSBURGH** – The Allegheny County Health Department (ACHD) today announced that **Roasted Barrelhouse & Eatery** is the latest restaurant to receive the *Live Well Allegheny* designation. Additionally, ten food establishments opened in the county in August, including eight restaurants and two confectionaries.

Roasted Barrelhouse & Eatery, located at 3705 Butler Street in Lawrenceville is committed to providing offerings which foster a healthy lifestyle. In addition to being trans-fats free, the restaurant is: providing half portions of sandwiches, offering roasted vegetables and salad as side dishes in lieu of higher caloric options, providing vegetarian and vegan options and more. “The key to a healthy diet is choosing foods that have more good fats than bad fats, or trans fats,” said Health Department Director, Dr. Karen Hacker. “As part of our county-wide commitment to promoting individual and community wellness, we also look at and highlight those facilities that use trans fat-free cooking oils. We’re delighted to see eateries taking that step toward living well.”

- **Panda Express**, 2070 Lebanon Church Road, West Mifflin
- **M & J Bistro**, 2017 East Carson Street, Pittsburgh (South Side neighborhood)
- **Millennial Cupcake & Parfait Bar**, 192 North Craig Street, Pittsburgh (Oakland neighborhood)
