Health Department Community Health Meetings Set for Tonight & Oct. 9
Residents Invited to Discuss Issues Affecting Their Community's Health

PITTSBURGH – The Allegheny County Health Department will hold two community health meetings this week – today, October 6, 6:30 to 8 p.m., at Carnegie Library of Pittsburgh in East Liberty, 130 S. Whitfield Street; and Thursday, October 9, 6:30 to 8 p.m., at Carnegie Library of Homestead, 510 East 10th Avenue.

The meetings, among 13 being held in each Allegheny County Council District, serve as an opportunity to disseminate information about the current health of Allegheny County and engage the public in a community discussion about health issues. Residents are encouraged to attend the meeting in their County Council District but are also welcome to attend any of the other meetings.

The meeting at Carnegie Library in East Liberty is in Council District 10 – Bloomfield, Central Oakland, Crawford Roberts, East Hills, East Liberty, Friendship, Highland Park, Homewood North/South/West, Larimer, Lincoln-Lemington-Belmar, Middle Hill, North Oakland, South Oakland, Terrace Village, Upper Hill, West Oakland, Forest Hills, Wilkinsburg.

Our Health, Our Voice is the theme of the Department's public outreach campaign as it shares key information about the County population's health and hears from residents about what issues are affecting their community's health. The meetings are critical to helping the Health Department and residents work together to create a countywide health improvement plan and move toward a common vision of making Allegheny County the healthiest county in the nation.
