Health Department Announces 24 Food Establishments Opened in October

PITTSBURGH – The Allegheny County Health Department (ACHD) is announcing the opening of 24 food establishments in the County over the last month, including 17 restaurants, a hotel dining room, a retailer, one tea room, a confectionary, a health care facility café, and two coffee houses.

“The key to a healthy diet is choosing foods that have more good fats than bad fats, or trans fats,” said Health Department Director, Dr. Karen Hacker. “As part of our county-wide commitment to promoting individual and community wellness, we also look at and highlight those facilities that use trans fat-free cooking oils.
